## ***Notice to the Public - Coronavirus (COVID-19)***

April 6, 2020 - ***Update***

As the coronavirus (COVID-19) situation progresses, we at the Guadalupe Appraisal District are committed to serving the public during this period of heightened precaution. To meet the needs of the property owners within our jurisdiction, while adhering to the recommendations of professionals within the health industry, both of our locations will be closed to the public. The intent of this decision is to limit the risk of exposure and possible unintentional spread of the virus within our community. The extended period of closure to the public will run concurrently with the recent "Stay Home, Stay Safe" order by the County Judge. **The closure of our lobbies, to the public, will continue through Thursday, April 30, 2020.**

Although we are limiting physical access to the interiors of our offices, we encourage all individuals to continue to conduct business with our staff members through several available methods:

- On-site Drop Box (*Located outside our entry of our main office*)
- Email ([pmeyers@guadalupead.org](mailto:pmeyers@guadalupead.org), [estrey@guadalupead.org](mailto:estrey@guadalupead.org))
- Telephone (*numbers listed above*)
- Fax (*numbers listed above*)
- Regular Postal Delivery

Today's technology allows us to contribute in combating the spread of the virus within our community, through implementation of social distancing techniques, while still meeting the essential duties of our organization. Please visit our website [www.guadalupead.org](http://www.guadalupead.org) for any updates or changes in the days and weeks ahead.

We want to thank you in advance for your patience and understanding during this time and sincerely apologize for any inconvenience this action may cause in the short-term.

Peter Snaddon  
Chief Appraiser, R.P.A., C.C.A.
