

## **Become an Agriculture Advisory Board member**

The Board of Directors is accepting Statements of Qualification for consideration from candidates seeking appointment as Agriculture Advisory Board members for the 2020-2021 term. Statements of Qualification are available online at [www.guadalupead.org](http://www.guadalupead.org), at 3000 N. Austin St., Seguin, Tx., or by calling 830.303.3313. The statute requires a minimum of three members. Currently, there are seven members serving, three of which have expiring terms on December 31, 2019. The primary function of the Agriculture Advisory Board is to advise the chief appraiser on major issues dealing with agricultural and timber appraisal, degree of intensity standards, and other agricultural use and appraisal issues. Board members should be familiar with local land use, degree of intensity, typical production practices, lease and production costs, typical net to land estimates, crops and crop yields. Agriculture Advisory Board members will be appointed for a two-year term. The board will meet at least once a year. Deadline for submission is October 1, 2019.
