**Press Release:**

Patrick Brown Real Estate Consultant, Incorporated has requested an extension to the tentative delivery date for the study being conducted on the Guadalupe River Lakes in Guadalupe County controlled by GBRA. The extension request was deemed appropriate and, having no significant impact on the District's ability to implement the findings of the report for the 2020 appraisal year, extension was granted. The previous stated delivery date of 01/21/2020 has been extended to 01/28/2020.
